Dear Prof./ Assoc. Prof./Dr./Mr./Mdm.,

Thank you very much for your participation as a presenter/listener in the upcoming International Conference on Industry-Academia Initiatives in Biotechnology and Chemistry 2021 (ICIABC21), on 20-21 December 2021.

The Zoom link for the registration to the conference is [here](#). After registering, you will receive a confirmation email containing information about joining the conference. There will be a breakout room based on different presentation sessions.

To know your presentation session, please refer to the attached Program Book. WhatsApp group links for each presentation session is also available in the Program Book. Please join the group to get more updates about the conference.

Please refer to the welcoming kit for the [presentation guidelines](#), and Zoom account set up and guide.

This conference is offering 3 best presenter awards. Cash prizes of RM 200 and a certificate of achievement will be awarded to the winner. *Any additional Bank charges for International participants will not be covered*

Please let us know if you have any questions.

Thank you.

Best regards,
ICIABC21 secretariat

Dear Prof./Assoc. Prof./Dr./Mr./Mdm.,

iCIABC21 has now officially ended. Congratulations to all presenters!

We would like to thank everyone for participating in the conference and hope that iCIABC21 has been a fruitful event for you. We also apologize for the last minute cancellation of Keynote 1 session, due to an unfortunate flood incident that happened to our speaker.

Attached is the conference certificate for your record. If there are any inquiries, please reply to this email and we will take further action.

We wish you all the best with your work and hope to see you again in the next iCIABC.

Best regards,

iCIABC21 Secretariat

Dear Authors,

[Reg ID: M009] Development Of Low Glycemic Index Cookies Made From Functional Cassava Pulp Flour

The MAB Editor has reached a decision regarding your submission for publication in the **Malaysian Applied Biology (MAB)** for the International Conference on Industry-Academia Initiative in Biotechnology and Chemistry (ICIABC21).

Our decision is:

Minor revision: Author must provide certificate of proofreading/English editing (Please refer to comments from Editor below).
Kindly return the revised manuscript **before 28 March 2023 or earlier** (maximum 7 days after this email is sent) to this email.

Since Editor agreed this manuscript requires revision, therefore, here are the recommended steps:

1. Check the comments/suggestions from Editor in your previous revised version as attached.
2. Please copy and reply to the comments raised by Editor in separate Microsoft Word file.
3. Submit a revised manuscript with highlighted changes.
4. Submit a clear version of the revised manuscript.
5. Use latest MAB template as attached (1. MAB Title Page template, 2. MAB Word template).

Thank you and best regards,
ICIABC21 Secretariat

Dear Authors,

We hope this email finds you well. We are writing to inform you about the status of your manuscript submission for the upcoming publication. The MAB editorial board has agreed to publish the journal; however, we have encountered a formatting issue with the references in your manuscript.

Despite your previous communication stating that you have made the necessary changes to the references in response to the editor's comments, it appears that they still **DO NOT** adhere to the format specified in the instructions for authors.

To avoid further delays in accepting and publishing your work, we kindly request that you carefully review and revise your manuscript, ensuring that the references are correctly formatted as per the provided instructions: https://jms.mabjournal.com/index.php/mab/instructions_to_author

Please resubmit the following documents no later than **10th July 2023 (Monday)**, with the references correctly formatted:

- 1. Manuscript - with highlighted changes**
- 2. Manuscript - clean version 2**

If you require any assistance or have any questions, please don't hesitate to contact us. We are here to support you throughout this process and ensure the successful publication of your work.

Thank you for your understanding and cooperation.

Best regards,

Dear Author,

Attached is the first version of your manuscript which will be published in October 2023 and will be available in the MAB Journal in Galleys. If there are any corrections, we will amend them accordingly and return the latest version.

Please check for comments in the proof and respond accordingly.

Instructions for approving the first proof:

1. Download the PDF file
2. Print the file in hardcopy OR use Adobe Acrobat Reader commenting and markup tools
3. Check for any typesetting mistakes (such as symbols, punctuations, species names, etc). Any changes other than typing errors or errors during copyediting and typesetting are not allowed.
4. Please cross-check the citations and references to avoid any missing citations or references.
5. Please do not edit the pdf file. The editing team will do the correction. The authors need to state any mistake/error using the comments tool only.

Authors are not allowed to:

1. Add new sentences
2. Add new authors
3. Add new figures/tables
4. Add new references/citations

Note: The editorial board may have made minor changes to your revised manuscript. Any corrections to the first version should be written clearly in the manuscript.
Font type, font sizes and size of figures have been changed to meet the journal's style and to fit the page margin.

Important: Please do not send us your corrected manuscripts in Word Document because it's time-consuming to look for the corrections and correct them on the first proof.

Looking forward to your reply by **29 October 2023**.
