The following message is being delivered on behalf of International Journal of Electrical and Computer Engineering (IJECE).

Imam Asrowardi:

We have reached a decision regarding your submission to International Journal of Electrical and Computer Engineering (IJECE), "IT Service Management System Measurement Using ISO20000-1 and ISO15504-8".

Our decision is: Revisions Required
Please read our instructions (at:
http://www.iaescore.com/journals/index.php/IJECE/about/editorialPolicies#custom-3)
carefully and follow the "checklist for preparing your paper for publication" strictly, as any spelling mistakes and errors may be translated into the typeset version.

MOST IMPORTANT:
1. The process publication will be smooth and fast only if you have prepared your revised paper carefully and strictly with considering the checklist above.
2. You should improve your analyzing and also present the comparison between performance of your approach and other researches. The "result and discussion" section reports the most important findings, including analysing results as appropriate.
3. All references must be cited in your article, and CITATION ORDER is SEQUENTIAL [1], [2], [3], [4], ...
4. Enrich your references with recent related journal articles. The references must be integrated with not less than three (3) papers published on IAES's Journals:
- http://iaescore.com/journals/index.php/ijece
- http://iaescore.com/journals/index.php/ijeecs
- http://iaescore.com/journals/index.php/ijpeds
- http://journal.uad.ac.id/index.php/TELKOMNIKA
- http://journal.portalgaruda.org/index.php/EEI
- http://section.iaesonline.com/index.php/IJEEI
Please use "Search" at menu "Journal Content" in right side of the site

When your revised paper reached us, it will be evaluated for contribution, originality, relevance, and presentation. In order to shorten the review process you should submit your revised paper within 8 weeks. Then, your paper will be judged: accepted or rejected.

We look forward to hearing from you

Thank you,

Sincerely yours,
T. Sutikno
Managing Editor

2018-02-19 21:13 GMT+07:00 IJECE Journal <ijece@iaesjournal.com>:
Dear Author,

It is my great pleasure to inform you that your paper is accepted and will be published on forthcoming issue of the International Journal of Electrical and Computer Engineering (IJECE), a Scopus indexed journal. Congratulations!

This journal is an OPEN ACCESS. Why publish open access? IAES open access authors benefit from: Quality, established and reputable journal, reaching key audiences' with 5 million users per month, high citations, etc. Benefits of the OPEN ACCESS policy:
- Researchers as authors: immediate visibility for research output and thus increased visibility and usage of their results. Open Access may even lead to an increase of impact.
- Researchers looking for information: access to literature everywhere, not only from a campus but also from any site with wifi access.
- Funding agencies: increased return on investment (ROI), increased visibility.
- Universities & research institutes: greater visibility, clearer management information.
- Libraries: increased access for target audience, financially a more attractive model than the current subscription model.
- Teachers & students: unrestricted access to material, enriched education, allowing equality of learning in poor as well as in rich nations.
- Science: enhanced and accelerated research cycle.
- Citizens & society: access to knowledge/access to the results of publicly funded research.
- Enterprises: access to critical information.
- Publishers: transparent business model, ultimate online article distribution, ultimate visibility for articles.

So, Open access fee is paid by the authors, or on their behalf to support the cost of wide open access dissemination of research results, to pay deposit to CrossRef in order to each published articles has a Digital Object Identifier (DOI), to manage the various costs associated with handling and editing of the submitted manuscripts, and the Journal management and publication in general.

Each accepted paper will be charged (based on first author and first institution): USD 225 (~IDR 3000K for Indonesian Authors)
This charge is for the first 8 pages, and if any published manuscript over 8 pages will incur extra charges USD45 (~ IDR 600K for Indonesian Authors) per page
(http://www.iaesjournal.com/online/index.php/IJECE/about/submissions#authorFees)
